

A fun day out for clergy and their families to meet and spend time with other clergy families.

Saturday 10 June 2023
9:30-14:00

Mendip Activity Centre,
BS25 5PQ

Family Max is aimed at parents with primary school aged children, however those with pre-school age children are welcome too.

It is also a good taster for our residential for clergy teenagers, Life to the Max.

With generous support from the Clergy Family Trust, we are able to offer this day for £6.50 per person (Under 4s go free). Please bring a picnic lunch.

The activities we have on offer are active archery, tobogganing and frisbee golf. There is also lots of space to relax, have fun and make connections with other families.
