### **Beaverbrook Foundation**

Funds a very wide range of arts, heritage and socially focused projects, including the renovation and adaptation of churches, throughout England and Wales. The foundation was originally established in 1954 by the first Lord Beaverbrook, a Canadian-British businessman, politician and newspaper publisher. It was re-registered as a Charitable Incorporated Organisation in 2013. The areas that the Foundation has increasingly concentrated on has been supporting small charitable projects; recognising that it is often more difficult to raise a few thousand to refurbish a church hall than it is to raise millions for a major public building. Our experience shows that it is often the small donations to the small charities that make a big difference.

Grants are made at the discretion of the trustees for charitable purposes including those that would have reflected the interests of the first Lord Beaverbrook, including:-

- The erection or improvement of the fabric of any church building
- The purchase of books, papers, manuscripts or works of art
- Care of older people or sick people

Grants are made for capital expenditure, for revenue and running costs, and for special projects. The trustees are keen to support match funding initiatives, and may make a payment conditional upon the applicant obtaining the remaining funding from other sources. The foundation is able to support all faith organisations but applications are only accepted from registered charities.

## **Benefact Trust - General Grants**

Benefact Trust is the new name for Allchurches Trust (as of March 2022). The trust is one of the biggest funders of ecclesiastical projects in the UK and will fund an enormous range of church based projects that demonstrate a focus on the impact on people and communities and promote the Christian faith. The main area of grant making are churches, social welfare and education. Funding focus includes: building communities, helping people in need to flourish, and growing churches spiritually and numerically. Funding has been used to support: Repairs, renovations, reordering & new builds; Community outreach; Protection of heritage. Exclusions: Running costs and salaries.

The trust funds:

Churches and cathedrals of all denominations, with the following project areas:-

- Mission and ministry
- Church halls
- Community and outreach
- Repairs
- Conservation
- Reordering and new works
- Bells, organs and music
- Heating, lighting, amenities and building security
- Churchyards and cemeteries
- Chapels and chaplaincy projects

It will not normally fund running costs.

Retrospective grants are possible where work is underway but projects which have completed would not be eligible.
